

# **2016-2017 PS Strings Student Expectations Contract**

## **Performance Attendance Policy**

Attendance at all major performances is mandatory (Spooktacular, Fall Concert, Holiday Concert, Spring Concert, Final Concert). Students are expected to arrive (minimum) one-hour before all concerts [call times are always published]. Students are expected to remain at a concert until the last group has performed. To request to be excused from a performance, students must bring in a written note explaining the conflict signed by a parent or guardian at least one week prior to the performance (sooner is preferred). Excuses will be considered on a case-by-case basis. The following reasons for missing a performance will not be accepted: work, failure to find a ride, sports practice. In the event that a student has a conflict with a school sports event, both the coach and Dr. Powell should be notified as soon as possible so that a solution can be worked out. Failure to abide by this attendance policy will result in a lowered grade.

## **Required Concert Attire**

See published "*Concert Dress Attire*" at [www.psstrings.com](http://www.psstrings.com) (homepage - bottom button).

## **Rehearsal Expectations**

- Students must be in the room when the bell rings actively getting their music and instrument out as soon as possible. All students should be set up, tuned by the Concert Master, and ready for warm-ups by 3 minutes into class. The time we have is very precious and we need to utilize every second. As soon as Dr. Powell steps on the podium all talking and playing stops.
- No talking or "tinkering" when Dr. Powell is on the podium. Class time is for Rehearsal, NOT personal practicing.

## **Practice**

It is expected all students in the PS Strings programs will practice their part outside of class in preparation for rehearsals and performances. Dr. Powell is available for extra help before school, before class, after class, at lunch, after school, and by appointment. Students should practice a minimum of two hours per week outside of class. Practicing for ensemble is your homework for the class. Time should be spent on music we our working on in class as well as scales and warm ups. Special attention should be given to improving tone quality, intonation, dynamics, articulations, and reading correct rhythms.

## **Care of Instruments**

Students are to keep their instruments clean and in good working condition. This means percussion equipment is used only by percussionist, equipment is properly put away every day, and all reed instruments have spare reeds, oils, etc.
